

The BarthHaas Hops Academy is a globally recognized hop training program that provides an educational and entertaining foray into hops that is offered at various venues around the world. But this one is special!

From September 8-10, for a half day each day, the Hops Academy will take place from the comfort of your home/brewhouse. We invite you to join us for this "Virtual Edition" Hops Academy event. In order to provide an interactive and personalized experience, space is limited to only 50 participants. Registration fee is \$75 which includes hop samples and a Hop Aroma Standards Kit (both delivered by mail) for hands-on sensory learning. Registration also includes guest lectures from John Henning (USDA Agricultural Research Service), Daniel Sharp (Ninkasi Brewing), Professor Tom Shellhammer (Oregon State University), and Mitch Steele (New Realm Brewing).

Traditional & Advanced  
Hop Products

Conventional & Advanced  
Hopping Applications

Hop Breeding & New Varieties
